

### **AutoAméricas 2026 to Be Held for the First Time in Santo Domingo, Dominican Republic**

- *A Key Event for the Auto Parts Industry in Latin America, the Caribbean, and South Florida*
- *March 20–21, 2026 | Hotel Dominican Fiesta*
- *Manufacturers, professionals, and automotive industry leaders will gather at this new venue as AutoAméricas expands its regional reach with a new edition in the Caribbean.*

**Santo Domingo (April 2025)** – AutoAméricas, the International Auto Parts Congress and Expo, officially announces that its 2026 edition will be held in Santo Domingo, Dominican Republic, on March 20 and 21, 2026, at the renowned Hotel Dominican Fiesta. This new location marks a significant milestone for the event, as it moves to Dominican territory for the first time, reinforcing its commitment to the regional integration of the automotive sector.

The announcement follows a successful networking cocktail held on April 10 in Santo Domingo, which brought together manufacturers, distributors, mechanics, tuning industry entrepreneurs, and enthusiasts. The strong turnout demonstrated the potential of the Dominican market and the importance of bringing AutoAméricas to this new stage. The 2026 edition will feature a robust trade show, a high-level academic program, vehicle exhibitions, and the much-anticipated CALA AWARDS ceremony, which recognizes excellence among the region's mechanical workshops.

**Andrés Caballero, Project Manager of the event, stated:**

*“The energy and commitment we witnessed at the Santo Domingo cocktail confirmed that this was the next logical step in AutoAméricas’ growth. In 2026, we will bring to the Dominican Republic an edition that blends innovation, business opportunities, and top-tier education for the entire automotive industry.”*

**About AutoAméricas**

AutoAméricas is the International Auto Parts Congress and Expo that brings together professionals from Latin America, the Caribbean, and South Florida. Since its inception, the event has served as a vital platform for networking, technical updates, and showcasing innovations in the automotive industry. With a focus that combines commercial exhibitions, technical knowledge, and recognition of workshop excellence, AutoAméricas has established itself as a must-attend event for industry players.
