

AutoAméricas 2024, One Month Away from its Celebration

Miami, February 7, 2024 – AutoAméricas, the leading event in the international automotive parts industry for the Latin America, Caribbean, and South Florida aftermarket markets, enthusiastically announces its upcoming edition to be held on March 7th and 8th at the Miami Airport Convention Center (MACC).

AutoAméricas 2024 will be the gathering point for distinguished experts in the automotive industry, including parts manufacturers, distributors, mechanical workshops, sector associations, and independent professionals. Over two days, participants will have the opportunity to:

- Learn about the latest market trends.
- Identify new business opportunities.
- Strengthen relationships with customers and suppliers.
- Access the latest technologies and solutions.

The event will feature a comprehensive agenda of activities, highlighting:

- Trade Exhibition: Over 40 companies will showcase their products and services to the attending public.
- Keynote Conferences: Industry experts will share knowledge and insights on relevant sector topics.
- Networking: Designated spaces for participants to establish contacts and generate new business opportunities.

It is worth noting that AutoAméricas 2024 will feature prominent speakers, including:

Francia Hernández Díaz: CEO, Partner, and Founder of Hernández y Abogados Firm.

- Conference: "Customs Challenges for Auto Parts Exportation"
- Date: March 7th

Luis Miguel Abuin: CEO of ISSO Enterprise - United States.

- Conference: "More Profits, Less Competition"
- Date: March 7th

Carlos Gómez: LATAM Customer Success & Business Development Manager, Advanced Innovative Technology Corp. (Trakmotive) – United States.

- Conference: Solutions in Constant Velocity Joint Assemblies
- Date: March 7th

Andrés Caicedo: Chief Engineer GSP Latin America, Inc. - United States.

- Conference: How Proper Cataloging Exposes You to Success
- Date: March 7th

Ronnie Pool: Senior Territory Manager - Automotive Division - Epicor Software Corporation - United States.

- Conference: Auto Parts Catalogs – The Pros and Cons of Managing Your Own, or Using a Commercial Alternative
- Date: March 8th

Evaristo García: CEO of Integrate Data Facts.

- Conference: The Importance of Standards Aces and Pies in Latin America
- Date: March 8th

AutoAméricas 2024 positions itself as the ideal platform to drive the growth and development of the auto parts industry. It offers a unique space to establish commercial relationships, access the latest technologies and solutions, and stay updated on market trends.
